Kanisius Ringgo, 21.75.7097. **KONTRIBUSI KELOMPOK MINAT THS-THM BAGI PENGUATAN PEMBENTUKAN KEPRIBADIAN CALON IMAM DI SEMINARI TINGGI INTERDIOSESAN SANTO PETRUS RITAPIRET.** Skripsi. Program Studi Filsafat, Institut Filsafat dan Teknologi Kreatif Ledalero, Maumere, 2025.

Penelitian ini bertujuan, (1) menganalisis dan menjelaskan kontribusi kelompok minat THS-THM bagi penguatan pembentukan kepribadian calon imam di Seminari Tinggi Interdiocesan St. Petrus Ritapiret, (2) menjelaskan definisi dan sejarah THS-THM dan nilai-nilai yang terkandung di dalamnya, (3) menjelaskan perkembangan kelompok minat THS-THM di Seminari Tinggi Interdiocesan St. Petrus Ritapiret.

Penelitian ini menggunakan dua macam metode penelitian yakni, penelitian lapangan dan kepustakaan. Penelitian lapangan akan dilakukan dalam ruang lingkup Seminari Tinggi Interdiocesan St. Petrus Ritapiret. Dalam penelitian lapangan ini, penulis menggunakan metode kuesioner, wawancara dan observasi partisipatif. Sedangkan, dalam studi kepustakaan penulis membaca sumber yang ada seperti buku-buku, jurnal, kamus, media cetak dan elektronik. Data dikaji berdasarkan aspek-aspek pembinaan yang meliputi kedisiplinan, kejujuran, penghormatan terhadap sesama, keberanian, ketegasan, kesetiaan, kerja sama, tanggung jawab, kepemimpinan, kerendahan hati, dan kesabaran, sebagaimana yang dihayati dan dilatih dalam kegiatan kelompok minat THS-THM.

Hasil penelitian menunjukkan bahwa kelompok minat THS-THM memberikan kontribusi bagi penguatan pembentukan kepribadian calon imam di Seminari Tinggi Interdiocesan St. Petrus Ritapiret. Nilai-nilai luhur yang terkandung dalam THS-THM terbukti mendukung integrasi nilai-nilai manusiawi dan spiritual dalam diri para calon imam. Dengan demikian, kelompok minat THS-THM menjadi sarana efektif dalam mendukung tujuan formasi Seminari menuju pribadi calon imam yang matang, dewasa, utuh, dan siapewartakan Injil dalam kesetiaan imamatnya.

ABSTRACT

Kanisius Ringgo, 21.75.7097. **CONTRIBUTION OF THS-THM INTEREST GROUP TO STRENGTHENING PERSONALITY FORMATION OF PRIEST CANDIDATES IN THE INTERDIOCESAN MAJOR SEMINARY OF SANTO PETRUS RITAPIRET.** Thesis. Philosophy Study Program, Institute of Philosophy and Creative Technology Ledalero, Maumere, 2025.

This research aims to (1) analyze and explain the contribution of the THS-THM interest group to strengthening the formation of the personality of prospective priests at the St. Peter Ritapiret Interdiocesan Major Seminary, (2) explain the definition and history of THS-THM and the values contained therein, (3) explain the development of the THS-THM interest group at the St. Peter Ritapiret Interdiocesan Major Seminary.

This study uses two types of research methods, namely field research and literature. Field research will be conducted within the scope of the St. Petrus Ritapiret Interdiocesan Seminary. In this field research, the author uses questionnaire, interview and participatory observation methods. Meanwhile, in the literature study the author reads existing sources such as books, journals, dictionaries, print and electronic media. Data is reviewed based on aspects of development including discipline, honesty, respect for others, courage, assertiveness, loyalty, cooperation, responsibility, leadership, humility, and patience, as experienced and practiced in the THS-THM interest group activities.

The results of the study indicate that the THS-THM interest group contributes to strengthening the formation of the personality of prospective priests at the St. Peter Ritapiret Interdiocesan Major Seminary. The noble values contained in the THS-THM have been proven to support the integration of human and spiritual values in prospective priests. Thus, the THS-THM interest group is an effective means of supporting the goals of the Seminary formation towards a personal
