Penelitian ini bertujuan untuk mendeskripsikan peran pastoral keluarga dalam menangani kekerasan dalam rumah tangga (KDRT) di Paroki St. Yosep Wairpelit, serta menjelaskan realitas kekerasan tersebut dalam perspektif Seruan Apostolik *Amoris Laetitia*. Metode yang digunakan dalam skripsi ini adalah deskriptif kualitatif. Teknik pengumpulan data yang digunakan ialah teknik wawancara dan studi kepustakaan. Objek yang diteliti ialah realitas kekerasan dalam rumah tangga di wilayah Paroki St. Yosep Pekerja Wairpelit dan bagaimana pandangan Seruan Apostolik *Amoris Laetitia* terhadapnya. Sumber data dalam penelitian ini diperoleh melalui pembagian kuesioner dan wawancara kepada pasangan suami-istri serta para pelayan pastoral di wilayah Paroki St. Yosep Wairpelit. Selain itu, data juga diperoleh melalui kajian terhadap dokumen Seruan Apostolik *Amoris Laetitia* dan penelitian-penelitian terdahulu.

Berdasarkan temuan penelitian, kekerasan dalam rumah tangga di Paroki St. Yosep Pekerja Wairpelit masih terjadi, dipicu oleh faktor ekonomi, perselingkuhan, konsumsi minuman keras, dan campur tangan orang ketiga. Fenomena ini menunjukkan bahwa pasangan suami-istri di wilayah tersebut belum sepenuhnya mengaktualisasikan nilai cinta kasih dalam kehidupan berkeluarga. Dalam Seruan *Amoris Laetitia*, Paus Fransiskus menegaskan bahwa pastoral keluarga hendaknya menekankan pendekatan belas kasih, pendampingan personal, pengampunan, dan keadilan. Dengan demikian, pastoral keluarga menjadi sarana kekuatan moral dan spiritual yang mampu meneguhkan komitmen perkawinan sekaligus mewujudkan kebahagiaan dalam keluarga.

## ABSTRACT

Gregorius Filarius Sena Naga (19.75.6592). **Family Ministry in Addressing Domestic Violence at St. Joseph Wairpelit Parish in Light of the Exhortation *Amoris Laetitia***. Thesis. Bachelor's Program, Department of Philosophy and Creative Technology, Ledalero, 2026.

This study aims to describe the role of family pastoral care in addressing domestic violence (DV) in St. Joseph Wairpelit Parish, as well as to explain the reality of such violence from the perspective of the Apostolic Exhortation *Amoris Laetitia*. The method used in this thesis is qualitative descriptive. The data collection techniques used were interviews and literature review. The research subjects were the reality of domestic violence in the St. Joseph the Worker Parish of Wairpelit and how the Apostolic Exhortation *Amoris Laetitia* views it. Data sources in this study were obtained through the distribution of questionnaires and interviews with married couples and pastoral workers in the St. Joseph Wairpelit Parish. In addition, data were also obtained through a review of the Apostolic Exhortation *Amoris Laetitia* and previous studies.

Based on research findings, domestic violence in the St. Joseph the Worker Parish of Wairpelit continues to occur, triggered by economic factors, infidelity, alcohol consumption, and the interference of a third party. This phenomenon indicates that married couples in the area have not yet fully realized the value of love in family life. In the Apostolic Exhortation *Amoris Laetitia*, Pope Francis emphasizes that family ministry should prioritize an approach rooted in compassion, personal accompaniment, forgiveness, and justice. Thus, family ministry serves as a source of moral and spiritual strength capable of reinforcing marital commitment while fostering happiness within the family.
